THE POLICE AND PROBATION OFFICERS:-

Please watch out for the above named boy, who ran
away from his home in Oakland on Tuesday the 29th of December.

He left a note saying that he would lie about in Oakland
for a couple of weeks, and then go North, but this is an unlikely
winter story, and was probably written to throw his mother off
the trail. On his previous runaway expedition he went to Fresno,
Fresno, Stockton, Penelope, Sacramento, Davis, and other places.

He is very likely to go to Los Angeles this time.

If apprehended, wire me at my expense and hold the boy
in your Detention Home till we can send for him.

The mother thinks that this should not be put into the
papers for the boy reads the papers and will see the story, and
will be the harder to find.

Yours for the boys,
